QUOTES FROM THE COMMUNITY

- “Last week my husband had to judge at your county fair so I spent some time in your library. I didn't want to leave. You have a beautiful facility. I worked on the puzzle for a while and got it going. Sorry I can't be there to see it finished!”
- Overhead conversation at Walmart, "then if I have trouble with the Zoom the librarians will help me." "They'll do that?" "Yeah, I had an interview there once and they set me all up in a back room. Libraries are great. Great, great, great. And they're free!"
