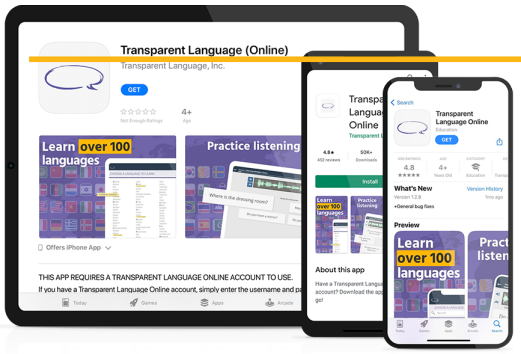
Downloading the Transparent Language Mobile App

Follow these simple instructions to access your free Transparent Language mobile app included with your Transparent Language Online account. You can be on your way to learning on-the-go in no time!



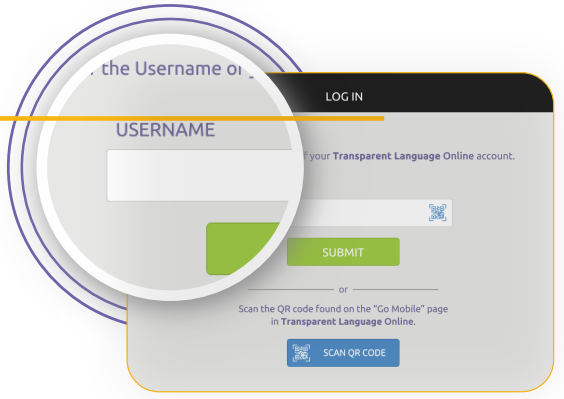
STEP 1

Go to the Apple Store or Google Play Store, **search for "Transparent Language"**, and download the Transparent Language mobile app.

STEP 2

Open the "Transparent Language" mobile app and **enter your Transparent Language Online** username or scan the QR code that appears in your Transparent Language Online account**.**

Note: if your username is associated with multiple organizations, you will be asked to select your primary organization.



STEP 3

If you are asked for a password:
enter your Transparent Language Online password.

*** If you are asked to log in to your portal:**

a. Follow the link to log in to your portal.

b. In your portal, launch Transparent Language Online, and you will see an app authentication page.

c. On the app authentication page, tap the "Log In" button, and the app will open and you will be logged in.

Internet access is required to use these applications; your data rates may apply. If you have a Transparent Language Online subscription, you may be able to use your access to activate the Transparent Language mobile app.
