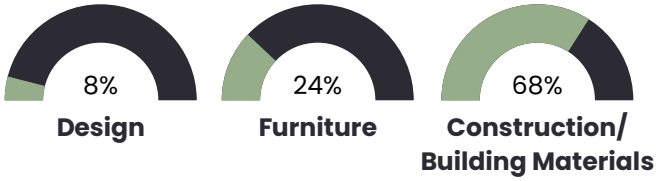
July 1, 2024-June 30, 2025

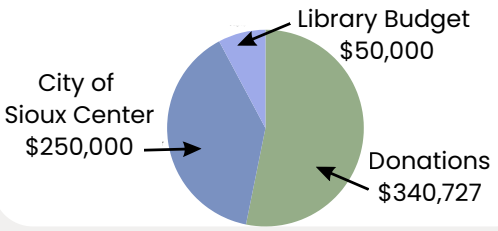
2025

ANNUAL REPORT

Building Project Final Cost: $654,372.88



Revenue: $654,372.88



Quotes

Patron

"You made the library really nice with the kids area and these small rooms."

Patron

"This area is so fun for the kids. My granddaughter is so excited when I say we are going to the library, she says "barn, barn, barn!" and then goes straight to the barn when we get here. She's saying all the animal sounds and the names of fruits and vegetables. You did a really good job on it. "

Patron

"These offices (study rooms) are so nice, much more private, they're perfect."

Patron

"This is what was missing from the library (referring to STEM room). Before it was hard to come to the library because there wasn't a good spot for my kids to play."
